## State Officer Qualifications

I believe I am qualified for FCCLA state officer because I have values that would benefit a team setting: I am confident, hard working, diligent, and full of passion. FCCLA is a passion of mine, since I was little I have been interested in things like sewing, baking, teamwork, and being family-orientated. I am a natural public speaker, but I did not know public speaking was a talent I possessed until I became involved in FCCLA. It has given me opportunities to evolve, and made me a better leader, and person, overall. I love talking to new people and I believe this would give me a place to be expressive and to display my leadership. I may not know what I want to do after I graduate, but I do know that whatever field I go into I will take the values and lessons that I learned from FCCLA with me; being a FCCLA state officer could possibly even expose me to new FCCLA-related possibilities as I continue to stay open-minded.
