State Officer Qualities

The leadership skills that I hold will make me an exceptional addition to the 2026-2027 State Officer Team. I pride myself on being a good listener, but also on being open minded when my opinions differ from others. My dedication to FCCLA would be another strength that I bring to the table, as well as the fact that I will not let anything go unfinished. I am also able to be productive no matter who is on my team.
