

TRAINING FORMATS

Online Training

- No Subs needed!
- 20 total hours to complete the course.
- Self-paced and 100% online
- 1-year access to the course.
- Over 80% implementation rate in the classroom! The classroom implementation rate for our online training is 10x the industry standard of 8%.
- Track teacher's progress through the course for accountability.
- Allows educators more time for processing & practicing the strategies while they make their way through the course at their own speed!
- Option to schedule a live introduction webinar to get your district started with the Online Training. There is an 18 participant minimum for the introduction webinar option.
- Includes classroom demonstrations with real students

Webinar Training

- Customized training dates/times for your staff.
- Training facilitated by a BeGLAD Trainer via live webinar sessions.
- 20 hours, with 4 sessions to complete the training
- Staff can come together in one location to complete the webinar in a collaborative format.
- 18 participant minimum

In-Person Training

- On site in your district with some modeling of strategies with your own student population.
- Flat rate for travel/lodging based on training dates/location/time of year.
- 4-day training held on consecutive days.
- 25 participant minimum
