In-Depth Questions

PANEL

Sabra Schneider

Fernando Llamas Jr

Zinta Smidchens

Seattle

Jill Oliver

Tamara Davis

Topic 1:

Is it possible to serve line-of-business needs *and* operate as enterprise GIS, or does one have to lead?

PANEL

Sabra Schneider

Fernando Llamas Jr

Zinta Smidchens

Seattle

Jill Oliver

Tamara Davis

Topic 2:

How do you decide what *not* to pursue when it comes to new technology in GIS and IT?

PANEL
