

Dual Enrollment - HCAP Career Readiness Activity

We're excited that you're interested in pursuing a Health Career Dual Enrollment class at HACC! Completing this activity is one of the requirements to qualify for a tuition-free class through the HCAP program.

Choosing a health career can feel overwhelming. In this activity, you'll research the HACC Health Career that interests you most to gain a better understanding of what it takes to work in that field. Start by following the links below to learn more about the HACC programs that interest you. Then, answer the questions that follow.

If you have any questions about completing this activity, please contact Megan Wert at mmwert@hacc.edu or 717-780-3219.
