

A Panel Discussion: District Communication During State Reporting

Facilitator:

Patty Ellis – APSCN SMS User Support Coordinator

Panelists:

Amy Brewer – Alma School District

Renee Curtis – Bryant School District

Jamie Dickelman – Eureka Springs School District

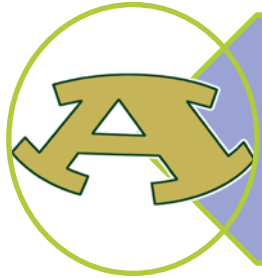

Overview

- Real district processes
- Lessons learned (what worked/didn't)
- Time for audience questions

Panelist Introduction

Amy Brewer
Alma School District
Federal & State Programs Coordinator

Renee Curtis
Bryant School District
Director of Administrative Services

Jamie Dickelman
Eureka Springs School District
District Administrative Assistant

- Who is involved (roles, departments)?
- How do you communicate (email, meetings, shared tools)?

Process Implementation

- What triggered your process?
- Was it reactive, proactive, or has evolved over time?

Getting Staff Onboard

- How did you gain cooperation?
- Any strategies that worked well?

Early Challenges

- What were your biggest obstacles?
- What would you have done differently?

State Reporting Process

- What does your report validation process look like?
- What reports/checks do you rely on?

Current Challenges

- What issues still exist today (data quality, staffing, timing)?
- What keeps you up at night?

Key Takeaways

- What advice would you give other districts?

Who has questions?
