Algebra 1 Quiz Retake Form

1. This will be the first/second or higher retake (please circle the appropriate number retake). Which topic number(s) are being retaken (e.g. 2-3 and 2-4)?

2. If this a first retake, please describe what you did to prepare for the original quiz. If this is a second or higher retake, please describe what you did to prepare for the previous retake.
3. If this a first retake, please describe what more you should have done to better prepare for the original quiz. If this is a second or higher retake, please describe what more you should have done to better prepare for the previous retake.
4. Please describe additional steps have you taken since the original quiz or previous retake to ensure you are better prepared this time. This could include, but is not limited to, doing CYU that you chose not to do originally, doing the additional problems that were added to the Algebra 1 folder on your google drive, or met with me for extra help. Note: you are required to meet with me for extra help prior to a second or higher retake. You must bring your notes and problems to work on (e.g. CYU, review packet, additional problems, original quiz) when you meet with me for extra help.
