

Algebra 1 - SBG Grading Rubric

Unit 7 - Polynomials and Factoring	Mild 	Medium 	Spicy 
7-1 Part 1: Naming Polynomials	Name Polynomials by degree and number of terms; write in standard form		
7-1 Part 2: Adding and Subtracting Polynomials	Adding polynomials	Subtracting polynomials	
7-2: Multiplying Polynomials	Multiply a monomial by a trinomial	Multiply binomials (FOIL)	Multiply a binomial by a trinomial
7-4: Factoring Polynomials	Factor GCF out of a Polynomial		
7-5: Factoring $x^2 + bx + c$	Factor when b and c are both positive	Factor when b and/or c are negative	
7-6: Factoring $ax^2 + bx + c$		Factor out GCF, then factor $x^2 + bx + c$	Factor by grouping
