

# Classified Leadership Academy

Participation in the academy includes complimentary registration for Summer Institute 2026 and Focus on Results 2027.

*Building pathways for classified staff to lead, grow, and advance.*

The Classified Leadership Academy empowers staff to elevate their daily work, strengthen leadership habits, and build the skills and confidence to grow into formal leadership roles through the *7 Habits of Highly Effective People*.

## Program Experience

### Kickoff at Summer Institute 2026 (In-Person)

Begin your journey with a one-day, experiential 7 Habits training. This session introduces the Habits, establishes cohort norms, and fosters meaningful connections with colleagues.

### Virtual Professional Learning Sessions

Continue your learning through a series of guided virtual sessions designed to deepen your practice, strengthen leadership skills, and support real-time application in your role.

### Culmination & Graduation (In-Person)

Conclude the program by celebrating your growth, reflecting on your leadership journey, and honoring your accomplishments alongside your cohort.
