# ADVENTURE TIME FIONNA & CAKE

Gary Prince

**Gary Prince** – Warm, intelligent, and ambitious. Gary is an aspiring bakery owner and one of Fionna’s closest friends. He is an alternate universe version of Princess Bubblegum from the original *Adventure Time* series.

Gary is very exacting about his baking (sourcing only the best ingredients), but also has a whimsical side (his pastries all have a fantastical backstory). He’s incredibly proud of all of his creations. He comes off as responsible and even-keeled but he also has moments of anxiety, like when he has to give a presentation to potential investors.

Throughout the season, Gary will confront some difficult secrets and face challenges that threaten his bakery dreams. But with his best friend Fionna and his boyfriend Marshall Lee by his side, he won’t have to face them alone.

*Speaking quality- bright, warm, sweet, confident, anxious and vulnerable at times.*
