"BROMATES" DAY & PAGE CASTING 5.15.21

SID
You mean like roommates?

JONESIE
Hell, no! Roommates are creepy random dudes who kill you in your sleep or scrub the toilet with your toothbrush when you're not looking. We're more like... *Bromates*. You know, on account of already being bros who are just adding the *mates* part.

SID
I don't know...

JONESIE
Dude, imagine us drinking beers together, playing video games and making chocolate chip pancakes-- You know, emotional support stuff like that.

SID
I'm not sure if pancakes are the solution to my relationship problems.

JONESIE
Look, we've been a team since we were six years old. I just figure I can help you get over Sadie. You can help me get over Charlotte. I mean, it'll probably be more me helping you, but I'm willing to put in the extra effort in order for us to heal.

A  EMPLOYEE approaches and looks at Jonesie.

← START

EMPLOYEE
Excuse me, there's no alcohol allowed in the ball pit. And you have to be under 8 years of age.

 points to the sign that clearly says "Must be under 8." Jonesie scrambles to submerge himself under the balls.

EMPLOYEE (CONT'D)
Sir, I can still see you.

Jonesie pulls the full beer under the balls.

= END
