How do I log in?

District Portal

If your district has its own portal to access apps check there first.

Clever

If your district uses Clever, your IT Admin may have added Express there.

ClassLink

If your district uses ClassLink, your IT Admin may have added Express there.

Canvas

If your district uses Canvas, your IT Admin may have added Express there.

Google

If your district uses Google, your IT Admin may have added Express to the Google apps waffle.

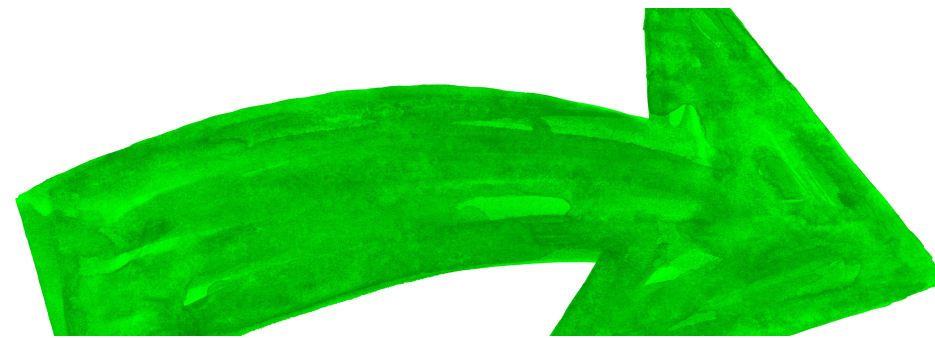

If the other options are **not working**, try this link with your school email:

adobe.ly/ExpressEDUK12

How to log in via: Your district portal

Log in to **your district portal** and look for the Adobe Express icon.

You can also search for "Adobe Express".
