

## AGENDA

### Event: Advancing Reparatory Justice: From the Ghana Resolution to Global Action

#### Date and time:

16 April 2026, from 14:00 to 15:00 Geneva time

#### Description

This side event will examine growing global momentum for reparatory justice following the Ghana-led UN General Assembly resolution recognizing transatlantic enslavement as a crime against humanity and calling for reparations. Grounded in the International Decade for People of African Descent, the AU Decade of Reparations, and the Permanent Forum's mandate, it will explore pathways such as restitution, institutional reform, and guarantees of non-repetition. Bringing together civil society, policymakers, and experts from Africa and the diaspora, the session aims to generate actionable recommendations, strengthen accountability, and center Afro-descendant voices in global decision-making.

#### Moderator:

**Sara Branco**, International Advocacy Coordinator at Peregum Black Reference Institute
