Winter Fuel Payment

Overview

You could get either £200 or £300 to help you pay your heating bills for winter 2025 to 2026. This is known as a 'Winter Fuel Payment'.

Before you start

You will need:

- Your full name, contact phone number, and address.
- Your email address.
- Your debit or credit card data for receiving payments.

You need to apply for these payments. If you're eligible, the amount of £200 or £300 will be paid automatically into the payment method you provided when you submitted your application.

- Winter/Fuel/Payment: "winter" or "fuel"
- DWP: Contains the "dwp" acronym, which was prioritized above all other keywords
- Subsidy/Grant: "subsidy" or "grant"
- Other: call-to-action words like "notification" or "claim"

Impact of AI

1. Emerging issue, but AI likely accelerates **scale and quality of attacks**. However, it's hard to tell this from the data - automation is possible without AI.
2. AI can also **help defenders**, but carefully - in combination with human processes.
3. Policy works should be **principles-based** and **focused** on specific, solvable problems.

"Of all the reports we receive, NetBeacon is the best — about 80-90% are actionable" **Michael Hausding, DNS and domain abuse security expert, Switch**

"Accurately reporting and tracking DNS abuse is incredibly difficult and often done poorly. The NetBeacon Institute provides tools to simplify both tasks and at no cost." **Crystal Ondo, Google's Head of Domains, NetBeacon Institute Advisory Council Member**
