Library Giving Day

Each spring, Library Giving Day offers an opportunity to reflect on the role London Public Library plays in the lives of people across our community and the many ways community support helps the Library continue to grow and serve. This spring, please consider supporting your Library, a place where children discover books for the first time, where students study and explore new ideas, where families attend programs together, and where individuals find information, support, and connection.

Dolly Parton's Imagination Library

The Sullivan County Public Library is thrilled to partner with Dolly Parton's Imagination Library to give children the gift of reading.

This free program mails one high-quality, age-appropriate book to registered children every month from birth until they turn five. By the time they start kindergarten, children will have a personal library of 60 books, helping them build a strong foundation for learning.

Register a child for free today! All children under five who live in Sullivan County are eligible to participate.

Support the Imagination Library

You can help us bring books to more children in our community. Dolly Parton's Imagination Library is made possible by the support of local partners and donors. \$25 gives one child a book every month for an entire year.

To donate and help us grow this impactful program, please visit donate.imaginationlibrary.com.

Your contribution helps us inspire a lifelong love of reading.
