Attention

- ◆ MMS sessions are 60-75 minutes followed by LONG Q&A
- ◆ Please hold detailed questions until that Q&A starts
- ◆ Feel free to ask clarification questions
- ◆ Remind the speakers to use Zoom It when you can't see

Session Takeaways

- ◆ Understand the security and usability benefits of moving beyond passwords to phishing-resistant authentication
- ◆ Master the management of WHfB in contemporary IT environments for enhanced security
- ◆ Explore the integration of WHfB within endpoint and identity management for a seamless Zero Trust approach
- ◆ Gain insights into best practices and prerequisites for configuring WHfB alongside Microsoft Intune
