“Sched has been a god-send for our organization. We're a 3 person staff with limited resources and we've found down the best value we've ever had for our budget.”

Alyx P.
Dead Center Film Festival

“I have used 6 different websites for my festival and none were as easy to use as Sched. It's a great conference website and it makes go to the next conference.”

Laurie K.
FestForums

Common Questions

Thinking of transitioning to a virtual event? [Learn how Sched can help here](#) →

access the event info and their personal agenda on-the-go.

The Native plan includes branded native apps for iOS and Android. They are branded for your event and include offline support. Apple Developer and Google Developer accounts are required to publish branded native apps.
