

# ODOT and E-bike Lending Libraries

OATS | April 23, 2026

Amanda Howell  
Innovative Mobility Program Manager  
Senior Active Transportation Policy Analyst (*Interim*)

# Funding Pilot Projects

- Vamonos Outside
- Afghan Support Network
- Westside Transportation Authority
- Crook County / City of Prineville Library

# Goals

---

- Expand shared micromobility options around the state
- Test different use cases
- Learn about what works and what's challenging

# What Our Grantees Are Learning

---

- Equipment
  - What and where to procure
- Logistics
  - Where to store equipment
  - Check-out /check-in processes and software
- Community Response
  - Interest and caution

# What We (ODOT) Are Learning

---

- Good Stuff
  - Strong interest from a variety of entities
  - Cohort model of learning
  - Three projects are underway
- Hard Stuff
  - Insurance and liability
  - Reliance on project champions
  - Using federal funding
  - Large bureaucracy

# What's the Future for ODOT?

- One final round of Innovative Mobility funding to support shared micromobility projects
- More research needed on outcomes
