Why we believe FINOS can go after bigger challenges

Unlocking the value of OSS as a competitive advantage
on projects **targeted to, created by and optimised for** Financial Services...

RBC Contribution: Five Spot Scheduler

Flexible compute platform that allows financial institutions to run workloads seamlessly across internal infrastructure and cloud environments.

Five Spot Scheduler

Manages the execution and granular control of compute workers throughout the job lifecycle

This is the power of banks, cloud providers, and technology firms building the future together.“
