

Relationship Mapping Worksheet

Purpose: Identify students who may need stronger adult connections and develop an intentional plan to increase each student's sense of belonging.

Directions

- Review your class roster, advisory list, or use the blank template below.
- Think about each student and the adults they would trust if they needed help today.
- Assign a color code or write G, Y, or R in the first column.
- Choose one Yellow or Red student and complete the action plan on the second page.

Relationship Rating Key

G (Green): Student can identify 3 or more trusted adults.

Y (Yellow): Student can identify 1–2 trusted adults.

R (Red): Student cannot identify a trusted adult or you are unsure.
