# QUESTIONS?

# SESSION TAKEAWAYS

## 1. Slam Dunk Standards

Let state standards lead the competition—build every question around clear learning targets so the fun stays focused and purposeful.

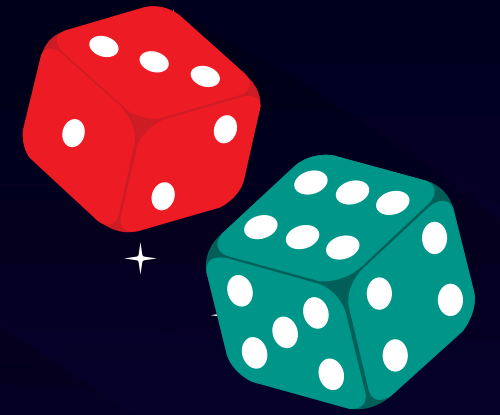

## 2. Ready, Set, Review!

Clearly model behavior norms, team roles, and transition routines before the first point is scored to ensure engagement stays high and disruptions stay low.

## 3. Final Four Fun!

Mix movement, variety, and random grouping while celebrating teamwork and effort—because the best review games are equal parts learning and laughter.
