GEG Utah

Welcome to GEG Utah!

We are proud to lead our community of educators in this region. Find out more about us [here](#).

By joining this group, you will become part of our community and learn more about the innovative ways educators are using technology to support teaching and learning by using Google for Education tools and more. We share in-person and virtual events which you can join and will invite you to take part in community events run by both us and our partners.

Please remember that this is a volunteer-led group and try to be kind.
